## LEGAL

- Hodgson, M. and McBride, A.G. (2008) *Issue Estoppel - Can It Help the Multi-Jurisdictional Patentee?* IP Intelligence Europe, Summer 2008 edition, p.6
- Stone, D. and McBride, A.G. (2008) *Google revises UK and Ireland complaint procedure* MARQUES News, No. 94 - 2/2008, p.5
- McBride, A.G. (2008) *The Ailing Clinical Trials Directive* IP Intelligence Europe, Spring 2008 edition, p.7
- McBride, A.G. and Aboulian L. (2007) *How easy is it to register your slogan?* The Journal of Brand Management, Vol.14 No.4, pp.359-363
- Newcombe, D. and McBride, A.G. (2007) *Scratching the surface of nano-regulation*, The Metropolitan Corporate Counsel, March 2007 edition, p.8
- McBride, A.G. and Francis, S. (2007) *Equitable contribution clauses*, Association of Geotechnical and Geoenvironmental Specialists News, Issue 53, pp.6-7
- McBride, A.G. (2007) *Orphan market exclusivity guidance published*, BioBrief for eversheds.com website
- McBride, A.G. (2007) *When good clinical practice goes wrong*, BioBrief for eversheds.com website
- McBride, A.G. and Shorthose, S. (2006) *The Clinical Trials Directive - a mixed blessing for the biotech and pharma industries*, Financier Worldwide Magazine 2006, pp.15-16
- McBride, A.G. and Fry, J. (2006) *Help is at hand: EMEA guidance on generic and hybrid medicines published*, BioBrief for eversheds.com website
- McBride, A.G. and Fry, J. (2006) *Reforming the regulation of human embryology*, BioBrief for eversheds.com website
- McBride, A.G. and Fry, J. (2006) *Good clinical practice - getting better*, BioBrief for eversheds.com website
- McBride, A.G. and Southworth, J. (2006) *Batteries and Accumulators Directive*, EHS360 for eversheds.com website
- McBride, A.G. and Knowles, J. (2006) *Striking a balance in the area of paediatric medicine*, BioBrief for eversheds.com website
- McBride, A.G. (2006) *The Audiovisual Media Services Directive: unworkable, unclear and unnecessary?* Media update article for eversheds.com website
- McBride, A.G. and Salmon, V. (2006) *Report on patents due diligence seminar*, Chartered Institute of Patent Agents magazine
- Penman, J. and McBride, A.G. (2006) *EMEA publishes guidelines on biotechnology-derived biosimilars*, BioBrief for eversheds.com website
- Penman, J., McBride, A.G. and Salmon, V. (2006) *Amendment to TRIPS: Antiretrovirals and the battle against HIV/AIDS*, BioBrief for eversheds.com website

## SCIENTIFIC

- Koti, R.S., Seifalian, A.M., McBride, A.G., Yang, W. and Davidson, B.R. (2002) *The relationship of hepatic tissue oxygenation with nitric oxide metabolism in ischemic preconditioning of the liver* FASEB J. 16(12), 1654-1656
- Koti, R.S., Seifalian, A.M., McBride, A.G., Yang, W. and Davidson, B.R. (2000) *The relationship of hepatic tissue oxygenation with nitric oxide metabolism in ischaemic preconditioning of the liver* Gut 47 (Suppl. III) A158
- McBride, A.G., Borutaite, V. and Brown, G.C. (1999) *Superoxide dismutase and hydrogen peroxide cause rapid nitric oxide breakdown, peroxynitrite production and subsequent cell death* Biochim. Biophys. Acta 1454, 275-288
- McBride, A.G. (1999) *Nitric Oxide and Oxygen Metabolism*, Ph.D. thesis, University of Cambridge
- McBride, A.G. and Brown, G.C. (1998) *Hydrogen peroxide addition to macrophages expressing inducible nitric oxide synthase causes rapid nitric oxide breakdown, peroxynitrite production and subsequent cell death* Biochim. Biophys. Acta 10, 167 K10
- McBride, A.G. and Brown, G.C. (1997) *Activated human neutrophils rapidly break down nitric oxide* FEBS Lett. 417, 231-234
- McBride, A.G. and Brown, G.C. (1997) *Peroxynitrite production from nitric oxide, hydrogen peroxide and superoxide dismutase: pathological implications* Biochem. Soc. Trans. 25, 409S
- Brown, G.C., McBride, A.G., Fox, E.J., McNaught, K.St.P. and Borutaite, V. (1997) *Nitric oxide and oxygen metabolism* Biochem. Soc. Trans. 25, 901-904
- McBride, A.G. (1996) *Peroxynitrite production from nitric oxide, hydrogen peroxide and superoxide dismutase* 9th Annual Cambridge Neuroscience Seminar A64
